## List of variables World Economic Survey

### 1. Identification variables

### 2. Standard questions

#### 1. Identification variables

Nr.	Name	Label	Label
1.1)	fbv	survey mode	
1.2)	id	ID-code, 8-digit: 1600xxxx	
1.3)	country	country code	
1.4)	ig	income group	
1.5)	noq	number of the questionnaire (part of the identifier)	
1.6)	cweight	country weight	
1.7)	weight	expert weight	
1.8)	year	year	
1.9)	month	month	
1.10)	rt	record type	
1.11)	ig2	income group (Z.2)	

#### 2. Standard questions

Nr.	Name	Label	Label
2.1)	gson	judgement, present economic situation	General situation (present judgement)
2.2)	gsop	economic situation compared to last year	General situation (compared to the last year)
2.3)	gsnf	economic situation end of next 6 months	General situation (next 6-12 months)
2.4)	gscn	judgement, present economic situation	Investments (present judgement)
2.5)	gscp	economic situation compared to last year	Investments (compared to the last year)
2.6)	gscf	economic situation end of next 6 months	Investments (next 6-12 months)
2.7)	gspn	judgement, present economic situation	Private consumption (present judgement)
2.8)	gspp	economic situation compared to last year	Private consumption (compared to the last year)
2.9)	gspf	economic situation end of next 6 months	Private consumption (next 6-12 months)
2.10)	tvex	foreign trade volume export	Export
2.11)	tvim	foreign trade volume import	Import
2.12)	tbal	trade balance	Developments of the trade balance in the next 6-12 months
2.13)	cprice	consumer prices	Expected tendency of consumer prices within the next 6-12 months
2.14)	infl	inflation rate	Expected tendency of consumer prices within the next 6-12 months
2.15)	infr	inflation rate in % (with decimal point)	Expected tendency of consumer prices within the next 6-12 months in %
2.16)	irst	interest rate short-term	Expected development of the short-term interest rates
2.17)	irlt	interest rate long-term	Expected development of the long-term interest rates
2.18)	cuus	currencies US \$	US-Dollar relation
2.19)	cude	currencies DM / Euro-DM (10/2000) / DM-Euro (1/2001-10/2001) / Euro (from 1/2002)	DM / Euro relation
2.20)	cuuk	currencies UK L	British Pound relation
2.21)	cujp	currencies YEN	Japanese Yen relation
2.22)	vaus	value of US \$	Development of the US-Dollar relation
2.23)	dspl	domestic share prices	Stock prices level after the next 6 months
2.24)	ep01	problem government policy	Most important problems - Lack of confidence in the economic policy
2.25)	ep02	problem insufficient demand	Most important problems - Insufficient demand
2.26)	ep03	problem unemployment	Most important problems - Unemployment
2.27)	ep04	problem inflation	Most important problems - Inflation
2.28)	ep05	problem competitiveness	Most important problems - Lack of international competitiveness
2.29)	ep06	problem trade barriers	Most important problems - Trade barriers to exports
2.30)	ep07	problem skilled labour	Most important problems - Lack of skilled labour
2.31)	ep08	problem public deficits	Most important problems - Public deficits
2.32)	ep09	problem foreign debts	Most important problems - Foreign debts
2.33)	ep10	problem capital shortage	Most important problems - Capital shortage
2.34)	cfi1	climate foreign investors, at present	Climate for foreign investors (in present)
2.35)	cfi2	climate foreign investors, next 6 months	Climate for foreign investors (in the next 6 months)
2.36)	cfi3	climate foreign investors, at present, legal	Climate for foreign investors (in present, legally)
2.37)	cfi4	climate foreign investors, at present, political	Climate for foreign investors (in present, politically)
2.38)	cfi5	climate foreign investors, next 6 months, legal	Climate for foreign investors (in the next 6 months, legally)
2.39)	cfi6	climate foreign investors, next 6 months, political	Climate for foreign investors (in the next 6 months, politically)
2.40)	imep	important measures of economic policy	Important measures of economic policy
2.41)	cstrcred	constraint on supply of bank credit to firms	Constraint on supply of bank credit to firms
2.42)	gdpn	growth of GDP (%) (with decimal points)	Expected real GDP growth
2.43)	gdpr	expected growth of real GDP	Expected growth of real GDP
2.44)	gdprpct	expected growth rate of real GDP	Expected growth rate of real GDP
2.45)	gson_vas	VAS present situation	General present situation assessed on analogue scale
2.46)	click1	clicks gson_vas	Clicks used until final assessment of general present situation
2.47)	gsnf_vas	VAS expectations	Expected general situation assessed on analogue scale
2.48)	click2	clicks gsnf_vas	Clicks used until final assessment of expected general situation

#### 3. Special questions

Nr.	Name	Label	Label

2.28)	ep05	problem competitiveness	1983 from 1984 to 1988 from 1989 to Jan 2002 from Apr 2002 to present	Mar, Aug Mar, Jun, Oct Jan, Apr, Jul, Oct Apr, Oct

**Wording of the question**

from 03/1983 to 04/1991

The most important problems for the economy in this country are at present

- lack of international competitiveness     

from 07/1991 to 10/2002

Please try to assess the **importance** of the following **problems** the economy of your country is facing **at present**

most important      also very important      not so important / not relevant \*

- lack of international competitiveness                 

from 04/2003 to present

Please try to assess the **importance** of the following **problems** the economy of your country is facing **at present**

very important\*\*      important\*\*      not so important

- lack of international competitiveness                 

**Variable description**

Most important problems - Lack of international competitiveness

\* the word "so" was omitted in 04/1998 and 07/1998; "not relevant" was omitted in 04/2002 and 10/2002

\*\* "most important" was used instead of "very important" and "also very important" was used instead of "important" in 10/2003

Wording of the question

07/2009

What do you predict will be the impact of the global recession on businesses' efforts to comply with anti-corruption measures?

	It will make businesses relax these efforts	[1]
	It will make businesses reinforce these efforts	[2]
	It will have a minimal impact on businesses' compliance with anti-corruption measures.	[3]

Wording of the question

<p>10/2011</p> <p>In June 2011, the Internet Corporation for Assigned Names and Numbers (ICANN) approved a programme to allow companies, organizations and communities to apply to operate an Internet domain name ending that corresponds to words or phrases, including an organization's name or brand. This means that companies, instead of having their brand or name before the ".com", could apply for a domain name extension that ends with their own brand name - effectively staking out their own piece of the Internet and allowing for a greater choice of possible domain names.</p> <p>a) Were you previously aware that ICANN had approved this programme for new domain name extensions?</p> <p style="text-align: center;">yes [1] <input type="checkbox"/> no [2] <input type="checkbox"/></p>	Variable description

Wording of the question

04/2012

Twenty years ago, a path-breaking UN summit in Rio de Janeiro called upon the world to foster economic growth and sustainable development in all countries to better address environmental degradation. As governments, business and civil society prepare to gather again in Rio (Rio+20) to assess progress made towards sustainable development over the past two decades, to what extent do you agree with the following statements?

There has been sufficient multilateral cooperation by governments on environmental issues	agree	agree partially	do not agree at all
